

PRESS NOTE LATINAPUESTAS

After 3 years acting as an Internet Gambling site's Broker for Latin America (time in which he placed 3 On Line Casinos and 2 Sportsbook in the Largest Latin American Portals) finally Manuel Elcorobarrutia- combined this expertise with his career of Peruvian lawyer specialized in Gambling Law for land based casinos- and decided to launch his own site: www.latinapuestas.com

"Latinapuestas.com is the first Online Gaming Directory for Latin American market, a market with huge potential of growth taking in consideration that only Peru in land based casinos moved per year more than US\$ 2.5 billions, and if we sum to this number the results of its neighbors in the continent, then we have very interesting numbers to work with", he said.

Latinapuestas.com has put its eyes in more of the 60 million people in the region with Internet access, and one of his goals is to divert at least the 0.05% of this people to Internet Gaming and wants to become in the indispensable tool for Latin on line gamblers to search for gambling sites.

Manuel Elcorobarrutia proudly mention that“any Gambling Portal that will want to enter seriously to Latam market -because of an issue of presence an image-, must be placed in Latinapuestas.com”.

The site has 4 easy to surf channels : Casinos , Sportsbooks, Lotteries and Bingos- with the best, more secure and profitable gaming sites available in the web, currently it is only available de spanish version, but soon he is going to add the portuguese, and english versions in order to compete in the major leagues, with all the common Online Directories of Internet Gambling..” he said.

Currently he is negotiating with important Media Groups in order to sign an alliance for promotions and advertising, he hopes to fulfill his expectations in the near future:
